Sir,

Subject - Entertainment of Temporary Cyanogasing men (8 gangs of 3 men each)

I have the honour to state that during the middle of August 46 there were reports of occurrence of rat-falls and plague infection in Ediga, Lashkar, Kumbarakoppal and Adikarnatakapuram and as such systematic intensive cyanogasing of houses all over the City was considered necessary in order to put down the infection immediately Therefore 8 more gangs of 3 men each were employed from 15-8-46 and they were continued to do cyanogassing work in view of increase of floating population on account of Dasara and the R A meeting etc The entertainment of these gangs was sanctioned for a period of 4 months in the first instance from 15-8-1946 in Council resolution No 336 dated 13-10-46 obtained by circulation

2) The Health Officer having reported that the further continuance of the gang was absolutely necessary to effectively put down plague infection which had not disappeared altogether although by intensive cyanogasing work from house to house etc, in each of the Mohalla, the Council have sanctioned the further continuance of the above 8 gangs of 3 men each by 3 more months for the present

3) In enclosing the copy of the resolution of the Council passed at the meeting dated 5-2-1947 in this behalf, I request that orders of Government may be obtained sanctioning the entertainment of the above staff from 15-8-46 as the total period involved exceeds 6 months
